

# COVID-19: Where you can get vaccinated

Use the resources on this page to find out where you can get vaccinated. **Please be patient, as vaccinators will prioritize the state's most vulnerable populations or previously eligible groups before others.**

**Spanish, Hmong, Chinese Mandarin, Hindi, and Somali language assistance is available.**

- ¿Tiene preguntas sobre la vacuna contra el COVID-19? Llame al 844-684-1064 (llamada gratuita).

- 对 COVID-19 疫苗是否有任何疑问? 请致电 844-684-1064 (通话免费).
- COVID-19 वैक्सीन के बारे में कुछ सवाल है? 844-684-1064 (टोल फ्री) पर कॉल करें।
- Wixii su'aalo ku saabsan tallaalka COVID-19? Soo garaac 844-684-1064 (lacag-la'aan).

The COVID-19 vaccine is free and any offers to get the vaccine will come from known sources, such as your local or tribal health department, health care provider, pharmacy, or a community-based clinic. You should not accept offers for vaccine or share personal information with an unknown source as these may be fraud.

**Mass vaccination clinics** are federally supported and provide vaccinations to individuals currently eligible for vaccine. The U.S. Department of Homeland Security's Federal Emergency Management Agency (FEMA) Region 5 provides support for these clinics through collaborations with local health departments and other local partners, the University of Wisconsin, Wisconsin Department of Health Services, and the State of Wisconsin. Wisconsin provides vaccine for the mass vaccination clinics through its state allocation. There is mass vaccination clinic at the Wisconsin Center register at <https://vaccinate.wi.gov/> or call 414-286-6800

This list will be updated as new pharmacy partners join the program.

- **Costco:** call your local Costco or visit <https://www.costco.com/covid-vaccine.html>
- **CVS:** call your local CVS or visit <https://www.cvs.com/immunizations/covid-19-vaccine>
- **Hy-Vee:** call your local Hy-Vee or visit the Hy-Vee website <https://www.hy-vee.com/my-pharmacy>
- **Kroger:** This includes the following Roundy's pharmacies in Wisconsin: Metro Market and Pick-n-Save. To sign up, check <https://www.kroger.com/rx/covid-eligibility> or call 866-211-5320 to schedule an appointment as they are available.
- **Managed Health Care Associates:** A network of long-term care pharmacies focusing on vaccinating individuals in long-term care.
- **Meijer:** call your local Meijer or visit the Meijer website
  - <https://clinic.meijer.com/>
- **Walgreens:** Visit the <https://www.walgreens.com/findcare/vaccination/covid-19> to create an account or call 1-800-Walgreens. You do not need to enter a code to make an appointment in Wisconsin.
- **Walmart:** Visit <http://www.walmart.com/cp/flu-shots-immunizations/1228302> or call your local Walmart pharmacy.

**DHS community-based vaccination clinics** provide vaccinations to individuals who live, work, or study in Wisconsin. AMI Expeditionary Healthcare (AMI) operate these community-based vaccination clinics through collaborations with local health departments, the University of Wisconsin (UW), the technical college system, other local partners, and DHS. Community-based vaccination clinics work in tandem with current vaccinators by providing additional vaccine based on current supply. To schedule an appointment at one of these clinics, register through the Wisconsin COVID-19 Vaccine Registry (<https://www.dhs.wisconsin.gov/covid-19/vaccine-registry.htm>) or call toll-free at 1-844-684-1064. After registration, individuals will be able to schedule their appointment. Each site is open Tuesday-Saturday 11 a.m.-7 p.m.
