# ABOUT

## OUR ORGANIZATION

### OUR MISSION

We are working to restore hope, reduce poverty, strengthen families and foster social justice.

CHILDREN REMAIN THE POOREST AGE GROUP IN AMERICA. FOR THOSE LIVING in zip code 53233, where City on a Hill is located, 71.2% of children under the age of 18 live below the poverty level ranking it among the worst 25% of US Zip Codes.

Since City on a Hill was established in 2001, we've been pursuing one ambitious goal: to end the cycle of generational poverty and oppression in the lives of urban youth and their families.

OUR GOAL: REDUCE CHILDHOOD POVERTY BY 50% BY 2033
